

Class 2 Newsletter

October 2020

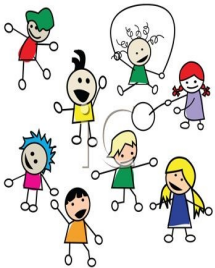

Welcome back to school: we hope you all had a lovely October break. It has been lovely hearing about everything that you have been getting up to.

This term it will still be Miss McNeill as class teacher, and Ms Sutherland and Mrs McKechnie as our SLA's. Mrs Cuthbertson will be in class on a Thursday morning.

Please ensure that all clothing is labelled clearly, to help prevent any mix ups.

PE will continue to take place outdoors on a Monday and Wednesday. Pupils should come to school wearing their gym clothes. Please look at the forecast for the day ahead so that your child is dressed appropriately for the weather. (Waterproof jackets and trousers may be useful on very wet days.)

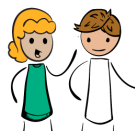

Please follow us @CastlehillPri on Twitter and look for #ELR2 to find out what we have been up to!

Parental Communication

We hope you are all enjoying reading our weekly update which is just a snippet of the week in ELR 2. Any other important information will continue to be communicated as and when through either e-mail or phone.

Any sensitive or personal information should be shared through the office on 0141 955 2215.

Literacy

Literacy activities will focus on adding more detail to our writing; reading comprehension; and using Clicker and other forms of technology to support language based activities.

Mathematics

This term our class will be practising skills for multiplication and division. We will also be focusing on time and shape.

P.E.

For our P.E. lessons this term we will be focusing on ball skills and fitness. This will involve different team games and learning how to build our stamina.

Topic

This term our topic will be "Homes; Local and Global". We will be learning about different types of houses and why they are different around the world.

Science

ELR 2 will be learning about water and the water cycle as part of their science topic.

As a class we will be learning about the Sustainable Development Goal 'Life on Land'. We will be focussing on the importance of trees and how we can help protect the rainforest.

Homework

Homework will continue to be issued on Teams every Monday, due in the following Sunday.

If you have any questions about Teams or the Class Notebook, please get in touch.
